Re: United States v. Fadul-Garcia, 13 Cr. 143 (JMF)

Dear Judge Furman:

We write in response to the defendant's sur-reply which the Government submits reflects a fundamental misrepresentation or misunderstanding of (1) the Government's expected trial evidence, and (2) the relevant legal standards. In order to facilitate the Court's understanding of the former issue, in particular, and in advance of a ruling on the need for an attenuation hearing, the Government would request a status conference at which attorneys for the Government with first-hand knowledge of both the nature of the Government's trial evidence and the manner in which that evidence was gathered can be heard and can answer any questions the Court may have with respect to these issues.

Respectfully,

PREET BHARARA
United States Attorney
